

***OFFICIAL LUNCH
PRESENTATION***

INTRODUCTION

Wealth Crypto Limited, is a widely used electronic trading platform for retail foreign exchange, investments and forex marketing which is developed and sponsored by the Panama Government in collaboration with Global Oil&Gas company worldwide.

This company MetaQuotes Software Corp, is currently licensing the WCL software to almost 500 brokers and banks worldwide.

Released in 2015, the Wealth Crypto Limited trading software became extremely popular with retail forex traders especially for its easy to use features and the ability to even facilitate automated trading by allowing users to write their own trading scripts and trading robots (commonly known as expert advisors).
